EDUCATION

TECHNOLOGICAL UNIVERSITY OF THE PHILIPPINES – MANILA

BS Information Technology

Ermita, Manila
2024 - PRESENT

Last Sem General Weighted Average (GWA): 1.46 / 1.00; Dean's Lister, 2024–2026

Relevant Coursework: Data Structures & Algorithms, Software Engineering, Operating Systems, Database Systems, Web & Mobile Development

UNIDA CHRISTIAN COLLEGES

Science, Technology, Engineering, and Mathematics (STEM)

Imus, Cavite
2022 – 2024

General Weighted Average (GWA): 95 / 100 (With High Honors)

IMUS NATIONAL HIGH SCHOOL

General Weighted Average (GWA): 96 / 100 (With High Honors)

Imus, Cavite, Philippines
2018 – 2022

WORK EXPERIENCE

ONE PLUS SOLUTIONS, INC. (early-stage edtech startup)

Quality Assurance Analyst

Ermita, Manila (Remote)
Mar 2026 – Present

- Conducted comprehensive functional testing across core systems to identify, isolate, and document critical software defects and ensure system stability.
- Logged, tracked, and prioritized technical bugs using issue-tracking systems, collaborating with developers to streamline resolutions and improve overall system reliability.

PROJECTS

DORMITORY MANAGEMENT SYSTEM (DormEase)

2026

- Developed a web-based system using HTML, CSS, JavaScript, Java, and MySQL that digitized dormitory operations, replacing manual, paper-based processes with automated bill tracking, payment monitoring, and notifications.
- Collaborated with a team to design and deploy the system on Vercel, streamlining communication between dorm owners and members while improving overall transparency and efficiency

COMPUTER VISION: FITNESS MONITORING SYSTEM

2025

- Engineered computer vision applications using Python and OpenCV, completing multiple structured exercise categories as part of a phased, faculty-supervised project.
- Collaborated with a team to iteratively refine and deploy solutions across multiple development versions, driving toward client satisfaction under an academic-industry partnership.

ACTIVITIES

GOOGLE DEVELOPER GROUPS ON CAMPUS STUDENT CLUBS (GDGoC)

Finance Auditor

Ermita, Manila
Sept 2026 – Present

- Managed new member onboarding for In4Session 2025, overseeing distribution of membership kits including IDs and org merch to 200+ student "Googlers" as part of their induction into GDGoC's mission and technology roadmap.
- Facilitated event operations for Campus DEVCON Manila 2025, a multi-university tech conference featuring Hackathon and Game Jam finals in partnership with Gen AI Philippines, CyberPH, and other tech organizations.
- Spearheaded member engagement efforts during Google Study Jam 2026, the organization's first-ever off-campus event hosted at WhiteCloak Technologies, across CodeLab activities and a frontend development hackathon.

GRAYHAWKS ROBOTICS

Emerging Officer

Ermita, Manila
Oct 2024 – Present

- Collaborated with student members to design and develop robotics projects, applying hands-on hardware development skills while engaging in peer-to-peer learning to strengthen technical and problem-solving abilities.

ADDITIONAL

Technical Skills: Proficient in C/C++, Java, Git, Flutter, Dart, REST APIs, and MySQL; Familiar with JavaScript/TypeScript, HTML/CSS, MongoDB, PostgreSQL, and AWS

Languages: English (fluent), Filipino (native)
